BUTTER CONSUMPTION TEMPORARILY REDUCED

It has become necessary to reduce the current rate of consumption of butter, and accordingly changes have been made in the dates on which (brown) spare "C" coupons of the current ration book may be used.

Spare "C" coupons 10 and 11 may not be used for the purchase of butter. Coupons 1 to 4 inclusive, have already expired.

Expiry dates for spare "C" coupons 5 to 8, inclusive, have been extended to aid consumers in stretching out the butter allowance over the period from now until February 28th.

Each coupon will continue to be good for the purchase of one-half pound of butter and will be good only on the dates specified below:

HERE IS THE NEW SCHEDULE

Coupon Number	Good for purchase beginning on:	Not good for purchase after:
5 and 6	January 18th	February 28th
7 and 8	February 1st	February 28th
9	March 1st	March 14th

The result of this is to reduce each individual's allowance by 2 2/3 ounces per week during the temporary period.

CONSUMERS WILL FIND IT ADVISABLE TO RATION THEMSELVES SO THAT THEY MAY BE ABLE TO STRETCH THE NEW BUTTER ALLOWANCE OVER THE NEXT SIX WEEKS
